Mosaic Seniors Month Celebration

As Member of Parliament for Markham-Thornhill, it is my pleasure to extend my greetings to everyone in the Mosaic Home Care Services and Community Resource Centres Community.

Mosaic provides invaluable supports for seniors on our community by providing educational and social opportunities for seniors and their families. One of these special events is Mosaic's Annual Seniors Month Celebration on Friday, June 8th, which brings together local agencies and resources along with live music and refreshments.

This is a wonderful opportunity for seniors to meet others in their community, and see what supports and resources are available to them.

I am excited to be attending – and I hope to see you there!

Yours sincerely,
